

Burn Into Darkness, Ch. 9: Burn Into Darkness

We come upon the maw
To set this world ablaze... to stop the creeping death
Our enemies (our foes) will burn into ash
This place becomes a tomb
Through death, life for us continues
The ground burns beneath
A race to escape the fire (it consumes)
Our enemies will burn into darkness
This place becomes a tomb
Through death, life continues
This place becomes a tomb
This place becomes a tomb
Through death... life
