

Ch. 6: Crack Their Bones

© 2019 Mechanization | www.mechanization.us

Now is the time that we arise
Destroy their chains and shatter stone
Onto the time we find ourselves
Our words will shake and crack their bones
Our sound in motion
We suffocate
Amass our army, kill them all
Paralyze their bodies with a word
Fight burning fire with a storm
Upon their evil we return with our vengeance
Prepare to fight
Prepare for war
Crack their bones
