Yeah

Go

Turn away

Turn away from this

Born away

Born without justice

You can't see

We are free

Wolf

The Wolf

Wolf ticket

Form ensues

Form without substance

Come unto

Come into darkness

Bait the prey

Weak shall pay

To the front

To avoid that knife

Falling back

Falling back ends life

Winter fell

Frozen hell

Wolf

The wolf

The wolf ticket is how we live

The wolf ticket is how we live

The scent of blood and life

Sustains and saves him

For every life he takes

He lives one more day

Wolf
